INDEX TO THE THIRD VOLUME

OF

THE REVIEW OF REVIEWS.

AMERICAN EDITION. JANUARY-JULY, 1891.

[The REVIEW OF REVIEWS was founded by W. T. Stead in January, 1890. It is published in two distinct editions. The London edition is edited by Mr. Stead. The American edition, differing in many respects from the English, is edited by Albert Shaw. The copies of the REVIEW circulated in America prior to April, 1891, were identical with the English edition. The present volume includes six monthly numbers, of which the first and second are uniform with the corresponding English numbers, while the third marks the beginning of the distinct American edition.]
